

GLIDE-A-MATIC

- Made from re-rolled rail steel
- Headboard only frame; extra large headboard brackets included
- The “Ouchless” frame featuring deeply recessed legs for added safety; plastic end caps to protect bedding from snagging.
- Solid cross arms for strength and support.
- Features “Keystone” locking system, easy to snap together and provides strength when steel pieces lock together.
- Double rail center support on the Q, K, and Cal King for extra support; center support is 3”
- Two locking wheels on rug rollers
- Lifetime Limited Warranty

Solid steel rivets for longer lasting strength; one piece cross bar and triple steel legs for ultimate durability.

No tools needed, quick and easy assembly.

No tools needed, quick and easy assembly.

Exclusive to Glideaway, the spin glide has a 7” leg with a steel shaft insert with plastic glide that slides easily on carpet.
