## ADJUSTABLE BASES

# ARDEN

Sleep Well. Live Better. Be Your Best.

The Arden head-up model is perfect for reading and watching TV and the contemporary design blends well with any bedroom décor. Features include an ultra slim 1" single split deck design that makes transportation and assembly easy. Head-up and head-down positions are controlled by a backlit remote that includes a single touch return-to-flat button.

### Support and Style

The Arden fits within most standard bedroom sets and is designed to harmonize with any bedroom decor style.

### Easy to Ship

Glideaway Motion bases are built to meet FedEx and UPS shipping standards. Each split deck base is designed 25lb. lighter than industry standard for warehousing, shipping, and convenience of transportation.

### Durable Construction

The Arden is designed to last with a German engineered motor and an angle iron and steel tubular frame construction.
