MOTION

ADJUSTABLE BASES

EDISON

Sleep Well. Live Better. Be Your Best.

The Edison features a full range of positions for head-up and foot-up enjoyment, plus pre-programmed positions for weightless zero gravity and anti-snore. The Edison is controlled by a multiple position backlit remote with a single touch return-to-flat button. Premium deck fabric and contemporary design make the Edison an easy complement to any bedroom décor.

Support and Style

The Arden fits within most standard bedroom sets and is designed to harmonize with any bedroom decor style.

Easy to Ship

Glideaway Motion bases are built to meet FedEx and UPS shipping standards. Each split deck base is designed 25lb. lighter than industry standard for warehousing, shipping, and convenience of transportation.

Durable Construction

The Arden is designed to last with a German engineered motor and an angle iron and steel tubular frame construction.
